October 2021 – Present

Bachelor of Technology in Computer Science

CGPA : 7.3

Senior Secondary Education

August 2019 – August 2021

De Paul School, Bilari, Moradabad

Percentage - 71.6

Secondary Education

August 2017 – August 2019

De Paul School, Bilari, Moradabad

Percentage - 76.4

My Projects

E-Commerce Website | *ReactJS, Firebase/Firestore, Bootstrap, HTML, Tailwind CSS, MongoDB*

- Created a comprehensive eCommerce website, with all the necessary features to have a solid online shopping experience. The site includes a user-friendly page, allowing customers to create accounts and securely connect to their profiles.
- Basic functions such as product inspection, detailed product descriptions and simple testing procedures were carefully integrated. The website is designed to be intuitive and visually appealing, providing the best possible experience on all devices.

MyPortfolio | *ReactJS, NodeJS, CSS, ThreeJS, Javascript*

- Developed responsive web applications using ReactJS, ensuring high performance and user-friendly interfaces.
- Utilized Three.js to build interactive 3D visualizations and animations, enhancing website engagement and user interaction

Awards and Achievements

- Participated in Internal Smart Indian Hackathon 2023.
- Secured Silver Medal in AKTU Zonals Kho Kho Competition.
- Winner of The Styling Geek, Website Design competition event by CSSS held at MIT.

Extracurriculars

- Chief Editor of College Newsletter:** Chief Editor of College Newsletter, Oversaw the editorial process, curated content, and managed the newsletter team to ensure high-quality publications.
- Student Coordinator of Hobbies Club:** Led and organized 20+ club activities, increasing student participation by 30%. Organised workshops, competitions, and social events to cater to diverse interests.
- Event Poster Designer:** Designed eye-catching posters for 12+ events, which led to a 40% increase in attendance. Showcased strong creativity and visual communication skills through these designs.
